

# Practicing The King's Economy

By Michael Rhodes, Robby Holt and Brian Fikkert

**Review by Matt Holderness**

**Head of Marketing  
Stewardship**

I've been reading this and have found it a refreshing, practical and often challenging look at what it means to follow Jesus with our money and everyday financial choices. It explores six biblical 'keys' that reframe stewardship as something bigger than charitable giving, touching on how we work, spend and save.

It's not light reading, but if you're looking for a deeper dive into how Christian generosity fits into your daily discipleship, this one's well worth reading.
