Audience

We are a not-for-profit organisation with 20 years experience of teaching a variety of services. These include Sports coaching, Dance provision and Mentoring within Infant, Primary, Secondary, PRU, Independent and Special Schools as well as within the local community.

Motivation

We are educationalists, who have had bad experiences of external organisations in terms of quality, flexibility and engagement. We have re-imagined coaching to ensure that our work is aspirational, compassionate, excellent, intentional and integral for the schools and learners we engage.

Jayden
Year 5

Knowing that the students have the ability to speak with one of the KICK mentors has been invaluable. Students have found it important that mentors are not school staff, but aware that substantial concerns will be passed on to the Safeguarding Team, and it has meant that the school is more aware of their vulnerabilities than ever before.
