

*If I told you,
What would you do?*

*Would you
walk **with me**
at my pace?*

Would you *walk with me* at my pace?

I need your company for this part of my journey.

I need you to stand by me and walk alongside me.

I need to be able to tell you enough
without having to tell you everything.

I need you to recognise what is keeping me going.

I need you to notice what is driving me forward.

I need you to see what is holding me back.

I need you to wait for me when I need time.

I need you to hold my space for me.

I need you to be there for me
when I am ready to take the next step.

*When you pass through the waters,
I will be with you – Because you are precious
in my sight, and honoured, and I love you*
